Subject: More Help for Wilcox

Lance, I have been informed that one of the properties in Bristow related to the Wilcox site is no longer a property managed or owned by Fannie Mae but has supposedly fallen back to the original lender Ocwen. I have included the web page I found related to the company. From the looks of the web site and the numbers provided to me by the realtor that was managing the property for Fannie Mae, there is no direct link to talk with a person.

Can you please find out how to contact this company to obtain access?

Thanks you very much.

 Request Katie 918-671-0969 – she indicated to me that Fannie Mae does not own/manage the property and that it has fallen back to Ocwen
